## Lifelong Learning

**Community Education** at Las Positas has a commitment to provide new avenues for personal, professional, and skills development, cultural enrichment, and recreational enjoyment for all community members.

## Dublin Educational Hub

Beginning Fall 2009, classes will be available locally at the Washington Mutual Building in Dublin to meet your educational career needs.

## Training and Development Solutions - OSHA Training Center

The future economic vitality of California depends on a skilled workforce. **Training and Development Solutions**, the corporate services division of the Chabot-Las Positas Community College District, welcomes you as our next business partner. We can ensure that your workforce operates at peak performance levels that strengthen your organization's effectiveness, competitiveness, and profitability.

Chabot-Las Positas Community College District has been designated a new **OSHA Training Center** with courses available in the Bay Area and throughout the region.

## Campus & Facilities

If you are interested in **renting facilities** at Las Positas College, please review the rental guidelines/timelines and complete the Request for Facilities Use forms and fax those forms to 925.443.0742. You can also **email a Facilities Rental** request.
